09 - 2008 | 12 - 2012

## ● Junior Chemist

LABOTEAU, 10<sup>th</sup> of Ramadan City , Egypt

- Participated in continuous improvement by generating suggestions,engaging in problem-solving to support teamwork.
- Measuring the rigidity of the tile after dryer.
- Measuring the rigidity of the tile after full burning.
- Measuring the penetration for green tile after pressed directly .
- Measuring the absorption for full burned tile .
- Measuring the density of tiles by mercury.
- Measuring the loss of ignition of raw material .
- Measuring the humidity in drying raw material after the dryer

## Education

09 - 2004 | 05 - 2008

## ● Bachelor of Science : Special Chemistry

Faculty of Science - Egypt , Banha

## Software

- Have a good knowledge in programming language and office group
- Self learning HTML , CSS , JS , Python , php and ongoing on CS50

## Languages

- Arabic
- English

## Certifications

- ISO Training courses 9001/2015 , 14001/2015 , 45001/2018
- ISO Training course 17025/2017
- PMP course ( onging )
- Solo learn HTML , CSS , Javascript , php & python
- Former senior chemist in water treatment
